

Here is an example of how our landscape designers can help transform your outdoor space, no matter the size!

Customer's DIY patio installation based on the design received:

DESIGN PROCESS

What you do: Take measurements and photographs of your space.

Fill out the design questionnaire.

Call our Division Street location at 503.788.9000 to make a consultation appointment with either Jason or Terrie.

Purchase yourself a Portland Nursery giftcard based on the square footage of the design that can be used towards the purchase of plants.

What we do: Meet with you at our Division Street store to go over the information you've gathered and talk about what you hope to achieve through the landscape change.

Take time to create a to-scale planting plan and plant shopping list to meet your needs and improve your space!

Thanks go to Chris and Heidi Hege who shared their patio photos with us!
